## The Direct Cremation Service

£1,195.00

*Plus crematorium fee*

We offer a direct cremation service that provides a dignified and respectful farewell for your loved one. We will handle every aspect of the cremation with the personal service we pride ourselves on, carried out with the utmost respect for your loved one. Unlike national firms, you can rest assured that your loved one will remain in our care until the cremation takes place, and we offer use of the chapel of rest, collection and care of the ashes and assistance arranging an interment of ashes if required as part of the service.
